

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF	)	
MILFORD WATER COMPANY	)	CASE NO. 94-051

O R D E R

On February 3, 1994, Milford Water Company ("Milford") filed its application with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure. KAR 5:067.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Milford purchases water from Richmond Water, Gas and Sewerage Works ("Richmond").

2. Effective January 1, 1994, Richmond will increase its rates for wholesale water from \$1.50 per cubic feet to \$1.54 per cubic feet. Based on an average monthly usage of 5,000 gallons, monthly bills to Milford's customers will increase from \$21.95 to \$22.25, an increase of 1.35 percent.

3. Milford proposed to increase the rates to its customers effective April 1, 1994.

4. During the 12 months ending November 30, 1993, Milford purchased 70,427,192 gallons of water and sold 56,693,440 gallons.

5. Milford's calculations are correct and show an increase in purchased water cost of \$3,565.94, resulting in a purchased water adjustment of 6 cents per 1,000 gallons.

6. The purchased water adjustment of 6 cents per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment of 6 cents per 1,000 gallons and the rates in Appendix A are approved for services rendered on and after April 1, 1994.

2. Milford's proposed tariff is approved.

3. Within 30 days of the date of this Order, Milford shall file verification that the notice to its customers has been given.

Done at Frankfort, Kentucky, this 7th day of March, 1994.
